Dear colleagues,

We are pleased to invite you to the annual **ASCO Direct™ GU Highlights Meeting 2025 on Friday, February 21, 2025**, at the Landesmuseum Zürich.

The event will be chaired by **Aurelius Omlin** and **Arnoud Templeton** and will feature **highlights from the 2025 ASCO Genitourinary Cancers Symposium in San Francisco**, with leading local experts presenting and discussing key developments in prostate cancer, renal cell carcinoma, and urothelial carcinoma. The focus will be on translating the latest scientific data into clinical practice and their relevance for the Swiss treatment landscape.

Join us to gain insights into the latest advancements and treatment strategies, and take part in a dynamic exchange with your peers. The event concludes with an Aperitif providing an excellent opportunity for networking.

We look forward to welcoming you to an engaging and insightful event!
