

Onco-Summit 2026

Thursday, November 5th 2026 | 17.00 – 19.40h | in English
Basel University Hospital | Auditorium 1, 2nd Floor | Klinikum 1/B2

Dear colleagues

We are delighted to invite you to the **Onco-Summit 2026**, a dedicated forum presenting the latest scientific advances in research, diagnostics and therapy of gynecological forms of cancer.

The program will feature updates in systemic therapies, surgical strategies and precision oncology. Interactive sessions and expert discussions will offer valuable insights into optimizing patient care and shaping future treatment standards.

The continuing education event will take place in hybrid format, allowing you to participate either on-site or virtually via live stream.

Take advantage of this opportunity **to deepen your knowledge of gynecological oncology in Switzerland** and join us for an inspiring exchange of expertise and innovation.

We look forward to welcoming you!

Kind regards

Prof. Dr. med. Christian Kurzeder
Basel, Chair of the event

Prof. Dr. med. Viola Heinzelmann-Schwarz
