ESMO SWISS PERSPECTIVES 2026

Friday, October 23, 2026

18:30 – 21:16 CEST

Chair

Prof. Roger von Moos

Cantonal Hospital Graubünden, Chur

Organizer

Dr Ellen Heitlinger

healthbook, Zug

Dear colleagues,

We are pleased to invite you to the healthbook ESMO Swiss Perspectives 2026, which will take place on Friday, October 23.

We would be very happy to welcome you in person at the Círculo de Bellas Artes, where this year's meeting will once again bring together Swiss colleagues and leading experts for a focused discussion of the most relevant ESMO highlights.

As Main Chair and Organizer, it is our pleasure to host this annual program and to help create a setting in which key findings can be discussed openly, critically and with direct relevance to clinical practice.

Structured by tumor type, the scientific program will allow the expert panel to guide attendees through major updates that may influence future treatment strategies and create opportunities for exchange with experts and peers.

We look forward to seeing you in Madrid for the healthbook ESMO Swiss Perspectives 2026.

Warm regards,

A blue ink signature of Prof. Roger von Moos, consisting of a stylized 'R' and 'M'.
