The event will be held in English

# Dear colleagues,

We are pleased to invite you to an event dedicated to key challenges in the management of lymphoma.

Designed for future hematologists and oncologists to prepare for FMH exam, and foster knowledge exchanges with experienced specialists.

During the event, experts in hematology and oncology will address the most relevant issues encountered in practice. In addition, residents from across Switzerland will present concrete clinical cases, offering practical insights into diagnosis, risk assessment and therapeutic strategies.

Each session will conclude with a short Q&A to encourage discussion and exchange.

We look forward to welcoming you and sharing this learning experience.

Best regards,
